

Bracelet Chase Game

Instructions

Age: 5+

Players: 2-4

Contents: 60 Fashion Bracelets in 6 different colors, deck of 52 Playing Cards

Object: Be the first player to have 10 bracelets on your arm!

Set Up: Place all the bracelets in the center of the playing area. Each player takes 5 bracelets to start and puts them in front of him/her in a circle, connecting each bracelet to another bracelet in a continuous loop (see images on cards below). Shuffle the cards and put them face down in a draw pile within easy reach of all players.

Game Play: The youngest player goes first. On their turn, players draw a card and place it face up in a discard pile, then carry out the action indicated on the card. If you cannot perform the action, your turn is over and play passes to the next person. Note: Before a player draws a card, he/she may rearrange their circle of bracelets so that new sequences are created. *For longer or shorter games, adjust the number of bracelets you must wear in order to win.*

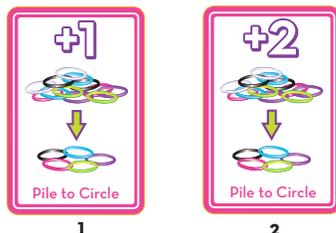

Bracelet Trading Cards: The actions on the cards allow you to 1) add bracelets to your circle by drawing from the center pile or stealing from your opponent's circle, 2) add bracelets to your wrist from your circle or your opponent's circle, 3) add bracelets to your wrist by stealing from your opponent's wrist.

When a card directs you to take from an opponent's circle or wrist, you may choose only one opponent from which to take the bracelets.

Bracelets move in 3 ways:

Center Pile to your Circle

- 1) Take 1 bracelet from the center and add it to your circle.
- 2) Take 2 bracelets from the center and add them to your circle.

- 5) 3 connected bracelets (3 sequences): If you have 3 bracelets arranged in one of the color sequences shown on the card in your circle, put those bracelets on your wrist! (You can only make one match.)

- 12) -2: If you are wearing 2 bracelets in the color sequence shown, take the bracelets off and give them to the opponent(s) of your choice.
