

# BOOBY TRAP®

## INSTRUCTIONS

 **WARNING:**  
CHOKING HAZARD—Small parts.  
Not for children under 3 years.

**PLAYERS:** 2 to 4

**AGES:** 8 and up

**CONTENTS:** "Booby Trap" game board with 63 colored playing pieces (21 large, 21 medium and 21 small)

**OBJECT:** Accumulate points by removing the colored playing pieces from the game surface without causing the tension bar to move past a mark.

**SET-UP:** Slide the tension bar back and randomly place all colored playing pieces on the game surface. Gently release the bar so it rests against the pieces.

**Scoring:** Large piece = 3 points, Medium piece = 2 points, Small piece = 1 point

**PLAY:** The youngest player begins and play continues clockwise. In turn, each player may choose to either attempt removing a playing piece from the board or to pass their turn.

**REMOVE A PIECE:** If the player successfully removes a piece without moving the tension bar past a mark, the player may keep the removed piece. If the player is unsuccessful (bar moves past a full mark), the removed piece (and whatever else is squeezed out) must be discarded and the player is penalized 3 points in pieces. If the player does not have 3 points in pieces, the debt must be repaid as the player collects pieces.

**PASS A TURN:** Players may pass as many times as they wish in a game: **HOWEVER**, if all players pass their turn twice successively, the first player on the third round **MUST** remove a piece.

**WINNING:** When there are remaining pieces equal to the number of players (i.e. 3 pieces left in a 3 player game), the game is over. The player with the most points wins.
