

THE CLASSIC SPRING ACTION GAME

BOOBY TRAP™

AGES: 8+

PLAYERS: 2-4

CONTENTS: 1 spring-loaded wooden game board and 63 wooden playing pieces (21 large/yellow, 21 medium/red and 21 small/green)

OBJECT: Accumulate points by removing colored pieces from the game board without allowing the tension bar to move.

SET UP:

- Slide the tension bar back.
- Randomly place all colored pieces onto the game board.
- Gently release the tension bar so it pushes the pieces.

HINT: Try pushing the pieces against the front wall to remove gaps.

GAME PLAY:

- The youngest player begins and play passes to the left.
- In turn, a player will remove ONE piece.
- Once a piece is touched, the player must pick that piece or pass their turn. They may not choose a different piece.
- If a player removes a piece without moving the arrow on the tension bar past a large mark on the side of the game board, that player keeps the piece.
- **If the arrow passes a large mark**, the offending player must discard the removed piece and any other pieces that have popped off of the board. The player must also discard 3 points worth of pieces from their collection (see SCORING). If unable to discard 3 points, the player must pay what they can.
- A player may choose to pass their turn.
- It is okay for following players to also pass their turns, BUT if turns are passed for two rounds, the player who begins the third round **MUST** remove a piece.
- Play continues until the board contains pieces equal to the number of players in the game (example: a 4-player game is over when there are 4 pieces left).
- Count the pieces and add up your points (see SCORING). The player with the most points wins!

SCORING:

Large (Yellow) Piece = three (3) points

Medium (Red) Piece = two (2) points

Small (Green) Piece = one (1) points

WINNER: The player with the most points wins the game.
