

Apple Adventure Game

Ages 6+ Players: 2-4

Contents

Apple Adventure gameboard • 32 cards • 4 Johnny Tractor pawns, with bases.

Object

Be the first player to collect four Golden Apple cards and take them to the barn on the opposing corner of the board.

Setup

1. Insert all of the cards randomly into the gameboard.
2. Each player chooses a Johnny Tractor pawn, and places it on the starting space with matching color. (e.g. Johnny Tractor with the blue base starts on the blue start space.)
3. The youngest player goes first. Play passes to the left.

Gameplay

During their turn, each player moves their tractor one space and pulls the card that occupies that space.

- You are free to move about the board: forward, back, side to side, and diagonal.
