

Safety Recall Notice

Juratoys has issued a safety recall for four Bricolo by Janod® push toy trolley models in cooperation with the U.S. Consumer Product Safety Commission (CPSC) and Health Canada. If a user presses down on the trolleys' handles with enough force, the trolleys can present an impact hazard. Affected products are identified here:

Janod Redmaster – Magnetic DIY Trolley (J06493)	Janod DIY – Magnetic Trolley (J06505)
 A red wooden push trolley with yellow wheels and a black front panel. It has a handle and various tools attached to the front panel. The word 'BRICOLO' is printed on the front panel.	 A grey wooden push trolley with red wheels and a black front panel. It has a handle and various tools attached to the front panel.
Janod French Cocotte Cooker Trolley (J06544)	Janod Barbecue Trolley (J06523)
 A red wooden push trolley with yellow wheels and a white top surface. It has a handle and a small stove-like structure on the front panel.	 A light blue wooden push trolley with green wheels and a white top surface. It has a handle and a small barbecue-like structure on the front panel.

Consumers should immediately stop using the affected trolleys and keep them out of the reach of young children until a repair kit has been installed. Consumers should contact Juratoys to receive a free repair kit. The kit includes necessary instructions and tools to add footers to the trolleys' rear axle to enhance stability.

Contact Juratoys toll-free at 877-277-1663 from 8:30 a.m. to 5 p.m. ET Monday through Friday or visit www.janod.com and click on the "Safety Recall Notice" link at the bottom of the page for more information.

In cooperation with the U.S. Consumer Product Safety Commission.
