# Assembly Instructions

Carefully uncoil the tunnel frame. Be sure to hold them away from your face and others. Insert the white rod into the fabric sleeve on the roof of the tunnel.

Attach the velcro tab loop side onto the hook side to fix the white rod inside the fabric sleeve.

Put the tunnel bottom velcro strap through the loop at the mat bottom.

Attach the velcro tab back to the tunnel bottom velcro loop side.

# Folding Instructions

Remove the white rod from the tunnel.

Pull sides together allowing frame to form a coil.

Folding your right hand under your left hand will form the third loop.

Compact three loops together. Insert coiled frame and mat into bag.
