MY SWEET DIARY

1. Dear Diary,

2. Yesterday, I went to

3. Laura’s birthday party.

4. She is my BFF, I love her.

Her party was so cool.

There was a piñata

with tons of candy

inside! I tried to

grab my favorite.

I love lollipops

and peppermint candy.

I got lots of those. We

both like yummy beans

and gummy bears.

I ate all day.

Happy birthday, Laura!

---

Everyone had some

ice cream sandwiches.

My favorite is

chocolate with cookies.

There were lots of toppings to

put on your ice cream

and fruit. It was so yummy.

I don’t like rainbow sprinkles

on brownies. She called it

an unicorn ice cream. Laura is

so funny! She

made me giggle.

Then, her mom brought her

cake. It was really tasty and

cakes are my favorite.

Happy birthday and all that.
