## 2 or more players

### set up:

mix up the pieces face down. deal 5 pieces to each player and place the rest in a stack face down. draw the first piece from the top of the stack and place it face up.

### play:

the 1st player tries to match the animal on either side of the start piece with the pieces in hand. if you have a match, place it next to the animal it matches. if you do not have a match, pick a piece from the stack. if the card drawn is a match, place it next to the same animal. if it does not match, keep it in your hand and it is the next player's turn.

### win!

the first player to use up their cards is the winner! if no one is able to make a match, the game is over. the player with the fewest pieces is the winner!
