Make your own dreidel!

Color in and decorate your dreidel.

Cut it out all along the outside edge.

Poke a pencil through the dotted circle to make a hole. Then remove it for now.

Fold along all the dotted lines.

Glue or tape the flaps.

Push the pencil back through the hole until the point sticks out on the bottom.

How to play with your dreidel:

1- Each player puts one of their colored gelt in the middle. (Color and cut out the gelt from the gelt coloring page.)

2- Take turns spinning the dreidel and follow the instructions on the side of the dreidel that is facing up.

3- The player who gets all the coins wins!
